LETTER

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

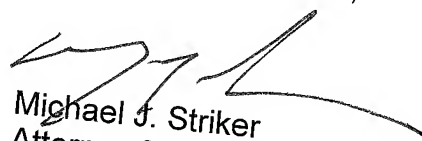

In this application an Office Action was received, dated
October 31, 2007.

The Office Action was discussed with the Examiner.

In the Office Action, first part of the Office Action, in particular pages 1 and 2, does not correspond to second part of the Office Action on pages 2-7. While in the Office Action summary claims 1-16 are rejected, which correspond to the pending claims in the application, on pages 2-7 the rejection was made with respect to claims 1-25 including non-existing claims 17-25. Also the references applied on pages 2-7, namely the patent to Scott, Sotozaki, and Woolf, have nothing to do with the present invention.

It is therefore respectfully requested to issue a new Office Action with a new term for response.

Respectfully submitted,

Michael J. Striker
